

Free Masons

For six players

Start with two masters and four serfs.

If you're a master ... (standing)

- if you have 0 serfs then become a serf
- if you have 3 or more serfs then release surplus serfs (leave 2 remaining)
- otherwise remain a master

If you're a serf

- if you share a master with 0 serfs then become a freeman
- if freed by a master become a freeman
- otherwise remain a serf

If you're a freeman

- if less than 2 masters then become a master.
- otherwise remain a free man.
